

Are you earning CEUs? Download the App!

- You'll use the BehaviorLive mobile app to check in/out of each event and log your attendance for CEUs, but the app also lets you keep track of your schedule, visit exhibitors, network with your fellow attendees, and more!

Access the Conference in the App

- Login with the same username/password you used to register and click on the conference.

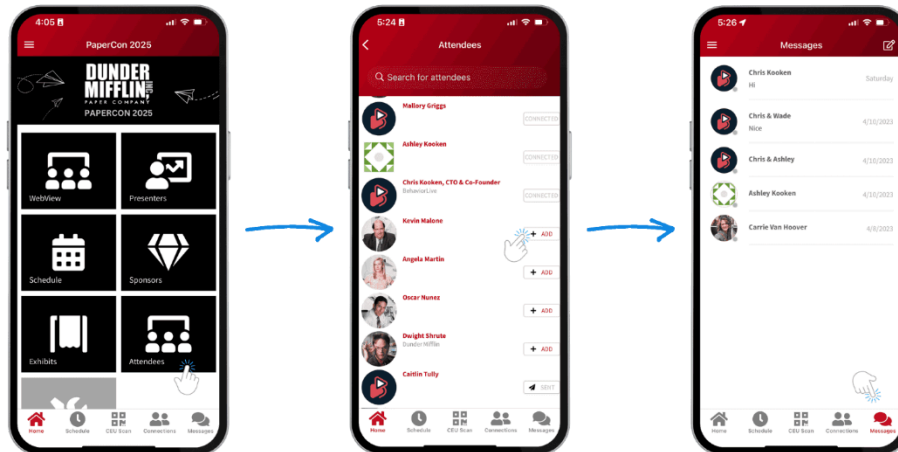

Get CEUs – Check-In/Out of Events

- QR codes will be posted in each room, by the MABA staff and will appear on the presentation screens at the start and end of each presentation.
- Click the **CEU Scan button** at the bottom of the main screen, hold your phone up to the QR code, and the app will check you in!
- You'll scan yourself out in the same way when the session is over. Make sure that you scan in **AND** out of each event that you attend to get your CEUs.
- Please email support@behaviorlive.com if you have any difficulties with checking in and out to presentations.

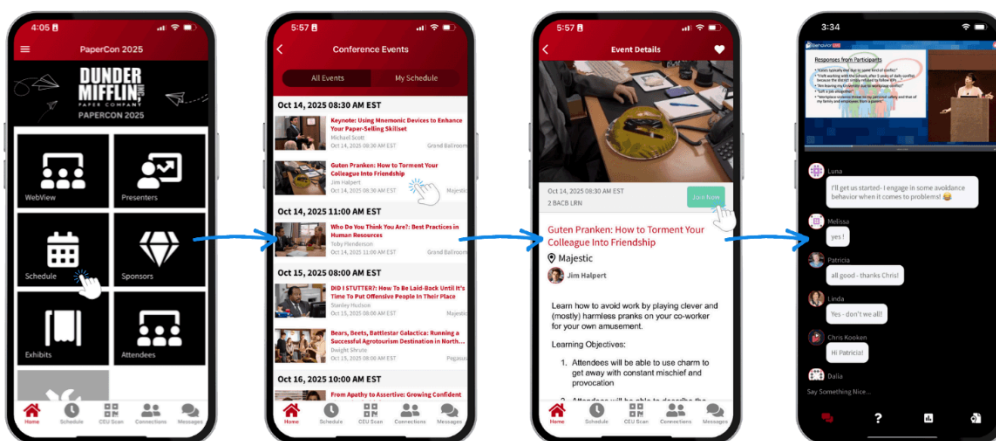

Network with Presenters & Attendees

- BehaviorLive is a social platform with a connection and messaging feature. Add an avatar or photo to your profile so other attendees can put a face to your name.
[Set My Avatar](#)
- You can connect with other attendees by clicking on the Attendees tile > + Add. Once connected, you can message your connections through the app.

Chat About the Sessions

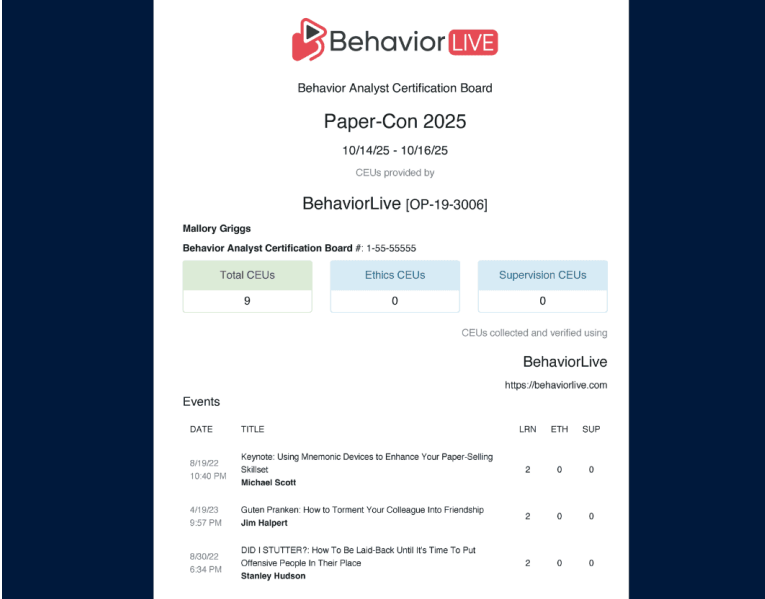

- In-person attendees can join events through the mobile app to participate in the chat discussion with their online and fellow in-person attendees!
- From the main menu click the Schedule tile > click the event > click Join Now > and don't forget to turn down the sound on your phone 😊

Tips to help you navigate your account post-conference

Where are my CEUs?

- Conference CEUs will be released [Add date or timeframe] and available to download in your account CEU history.
- Click Actions > View Certificates to review your conference summary.
- <https://behaviorlive.com/account/ceus/conference-ceus>
